A TIME TO

SPRING 2018 ISSUE

New leadership for programs

In January of 2018, the staff of Presbyterian Mo-Ranch Assembly welcomed The Rev. Kathy Anderson as its chaplain and program director. Kathy is a native Texan who spent her childhood and formative years in Victoria, Texas. She grew up in the First Presbyterian Church of Victoria and first ventured to Mo-Ranch with the FPC youth group 35 years ago. In fact, her connection to Mo began even before her conscious memory. Her grandparents, Glenn & Lucile Anderson, were involved in the early development years of Mo-Ranch. They were longtime resident volunteers during the tenure of Otis Moore and always held Mo-Ranch in high regard—a value they passed along to their family and granddaughter. Her grandfather even built some of the original sleds for the slide!

Over the course of her ministry, Kathy has been a friend of, and frequent visitor to, Mo-Ranch, attending conferences, youth events, church retreats and Presbytery meetings.

The Rev. Kathy Anderson

“Mo-Ranch has always been a formative place in my life and journey of faith,” said Kathy. “I can still remember sitting on the floor of the Main Auditorium as a sixth grader and walking across the catwalk for the first time. Having the opportunity now to serve at Mo in an official capacity is an incredible gift to me. I look forward to helping the ministry of Mo-Ranch move into the future, to carry on time-held traditions and develop new and innovative ways to serve the church and equip the saints for ministry and service.”

Kathy brings 20 years of ordained ministry experience to her new role and seven years of executive director leadership, formerly serving as the head of John Knox Ranch, the camp and retreat center of Mission Presbytery. A pastor at heart, she has served on the pastoral staff of Mt. Washington Presbyterian Church in Cincinnati, Ohio, and Westminster Presbyterian Church in Austin, Texas. In addition to congregational ministry, Kathy also served in the mission field as a Young Adult Volunteer in Guatemala and as part of the Presbyterian Church (USA) Global Ministry national staff in Louisville, Kentucky.

Reviving a historical space to create

because of your generous gifts

Construction team hard at work to complete The Art Generator renovations by April.

Sneak peek inside The Art Generator renovations that are in progress.

Your generous donations—a total of \$37,905 to be exact—during Mo-Ranch's Giving Tuesday campaign in November of 2017 are helping update and restore The Art Generator, one of the ranch's most historical buildings. The building is undergoing renovations to refurbish the entire space, all while maintaining its historical integrity—that includes even preserving its original window frames and front doors. The renovations include adding central heat and air, rewiring the building, adding art conducive lighting, new indoor and outdoor plumbing, replacing the windows and more.

Families, friends, campers and coworkers will be able to unleash their inner creativity, boost their concentration and improve their work and academic performance through art much more comfortably in a newly renovated building by the middle of April this year—all thanks to you!

Volunteer at Mo!

Volunteering your time helps this ministry in so many ways. It's a large job trying to maintain 500 acres with more than 70 different buildings, and the ranch always has an activity or event going on.

Mo-Ranch gratefully welcomes volunteers who are willing to share their talents and time, and in return we will share a wonderful place for you to unplug and enjoy God's beautiful creation.

Our motto is that if someone has a talent to share, we have a volunteer opportunity for them! Mo-Ranch's volunteer coordinator does a wonderful job of matching volunteers' interests and expertise with volunteer areas that best fit the ranch's needs.

If you are interested in learning more about upcoming volunteer opportunities that the ranch has, please contact volunteer@moranch.org or visit us online at moranch.org/volunteer.

Supporter spotlight

Brenda & Les

Staples

The mission of Presbyterian Mo-Ranch Assembly is vibrant and growing because of generous supporters like Brenda and Les Staples who are passionate about sharing the blessing of Mo-Ranch with future generations to come—particularly with youth and creating future “Mo lifers.”

The Staples have been dedicated Mo-Ranch supporters and have given gifts to monumental projects for the ranch, especially those that will help grow youth programs and camps.

“Youth is what the future of Mo-Ranch and our denomination is all about, and we feel strongly about placing an emphasis in our ministry to children and youth,” said Les.

Youth programs have been at the heart of Mo-Ranch’s ministry since its inception and have drawn tens of thousands of youth to attend the ranch’s youth programming. In fact, it was a youth conference that first brought Les to come visit the ranch himself.

“I have been traveling to visit Mo-Ranch since 1956 when I first attended a Senior High Conference,” said Les. “For a boy from a hot and sticky East Texas town, it was heaven!”

Since attending that first youth conference, Les has continued his journey to Mo and has returned year after year, becoming a true “Mo lifer.” He and his brother, George, have been attending the Mo-Ranch Men’s Conference faithfully since the late 1960s, and they are two of the conference’s longest-running attendees.

Les continues to find ways to give to the ranch—financially and through volunteering his time. He served on the Mo-Ranch board of trustees’ finance and operations committee for 12 years and is happy to do his part to continue improvements at the ranch.

“Mo-Ranch serves so many worthwhile purposes,” said Les. “I am happy to serve on the board to do my part in seeing that this ministry continues to do so.”

When Les isn’t busy supporting the ranch, he can be found attending the First Presbyterian Church in Granbury where he and Brenda are members and where Brenda currently serves on session. The Staples are both pilots and enjoy flying around Texas to visit their friends and relatives—but it’s the Hill Country Region that will always be their favorite place to travel to.

“The peace, the scenery and the memories we make here are what have kept my wife and I coming back,” said Les. “Over the years, we’ve had so many reunions with old friends and attended so many events along the crystal-clear waters of the North Fork of the Guadalupe River.”

Les and his brother, George, being recognized at the 2017 Mo-Ranch Men’s Conference for attending more than 50 years.

Mo-Ranch gratefully thanks its 2017 donors—without whom none of this would be possible!
