

Mo Gives Back Overview and Guidelines

Mo Gives Back is an annual summer event with a mission. It is an initiative for Mo-Ranch to give back to the community and help support other non-profits with their time. Mo-Ranch staff will donate their time with the three selected nonprofits and beyond throughout the year, culminating in the Molympics Event in July, a unique fundraising opportunity at Mo-Ranch with all proceeds going to the selected beneficiaries.

This is not a grant. Mo-Ranch will provide the medium for fundraising through the Molympics Event but will not provide a monetary contribution beyond funds raised on that day. Mo-Ranch will market the event but in order to ensure success, chosen beneficiaries are highly encouraged to pursue marketing opportunities on their own, both in their network and throughout the community.

Mo-Ranch has a large body of staff who are both excited and incentivized to volunteer, but can only do so if they are provided with clear volunteer projects. This could be volunteering at larger events or something as simple as mowing a lawn or painting a workspace. Mo-Ranch will not require much of the beneficiaries' time beyond a meeting with Marketing Manager Ethan Brundeen and a luncheon at the ranch with the entire Mo staff. A presence from the beneficiaries is highly encouraged at the Molympics Event in July.

The Molympics Event Will be held on July 22nd, 2023. All are invited to come out and enjoy the fun. Activities will include, but are not limited to a cornhole tournament, Mo-Slide competition, hot dog lunch and plenty of time to swim in the Guadalupe. The event is open to the public for the purchase of a ticket, with all proceeds going to the beneficiary of each attendee's choice, so the more you market, the more you stand to make!
