# 2026 YOUTH CONFERENCES HOUSING INFORMATION

## Housing

Many of the buildings on our historic property were built as early as the 1950s. We acknowledge that our buildings cannot accommodate all abilities and people yet and commit to making reasonable accommodations until all facilities are renovated.

Standard housing for youth conferences at Mo-Ranch is group housing. These spaces include, but are not limited to, Milk Barn, Milk Barn Bunkhouses, River Dorm, Guest Lodge, and Log Lodge.

**Conference Housing Description** – Shared space with other churches, youth groups, and conference attendees.

Sleeping quarters will vary from semi-private to dormitory style housing that can consist of 4- 20 beds in a shared communal living environment. These rooms can consist of single or double beds, and single bunk bed styles. For specific bed/room layouts, please visit <https://www.moranch.org/stay-at-mo-ranch/>.

## Bathroom Facilities Description

Bathrooms in group housing are shared community spaces. Private showers and bathroom stalls are available. There are no designated private changing areas. Mo-Ranch encourages all guests/campers/staff to change clothes in private areas and discourages nudity or disrobing directly in front of others.

Mo-Ranch encourages all participants for youth conferences to reside in the community living environment. However, if this style of lodging does not meet your individual needs, please make us aware. We will make every effort to accommodate your housing needs. Changes in housing are subject to availability and additional fees.

## Considerations

Housing Reservations: When booking your group for a conference at Mo, please be mindful of our limitations and our available housing. Conference participants will be housed on a first come, first serve basis, though we will do our best to honor your housing preference. To be good stewards of the housing facilities that we have available, your group may be housed with other youth groups in dorm/group housing. It is always a good idea to share this information with your group, including youth participants, parents, chaperones, and church leadership prior to booking so that we may partner with you and your group to try meet the needs of your participants.

## Sponsors

You will need a sponsor to youth ratio of 1:5. Adult sponsors must also pay and register for the conference. The number of adult sponsors must correspond to the gender numbers in the group they are bringing. Five boys and three girls would mean at least one male and one female sponsor. If your group chooses to stay in hotel-style accommodations, youth will be housed 3-4 youth per room and churches may be combined to accommodate this arrangement.

**I have read the cancellation and housing policy information and have shared this with all my participants and sponsors prior to arrival at Mo-Ranch.**
